

Afix Group is a fast-growing dynamic Belgian scaffolding manufacturer with more than 15 years of production experience in multi-directional scaffolding systems. As a vertically integrated steel processing company. We are responsible for the design and production as well as the rental, sale, and financing of modular scaffolding elements in more than 20 countries. We have production sites in the Netherlands and Turkey. Since 2004, Afix Group has been making professional top quality scaffolding systems.

Afix Group offers its products and services to scaffolding builders and contractors working in the following segments: construction, industry (energy, oil & gas, etc.), infrastructure, shipyard, and the event sector.

Afix Group Mauritius is looking to strengthen their team with a **Site Supervisor** based in Mauritius.

DO YOU CONNECT ?

If you want to work in an international environment but still experience the personal contact and SME entrepreneurial spirit, where your ideas and personal input are valued, this is the environment you're looking for. Communication lines are short and fast, and you will have a lot of freedom to walk the paths that suit you best regarding regions and markets, based on your own knowledge and ambition, but of course, results need to be achieved.

Only local candidates shall be considered.

We look forward to hearing from you!

Please send your CV and cover letter through office.mu@afixgroup.com
